1991–1992  
Global Intermedia  
Petaluma, CA  
art director

1989–1991  
Hewlett-Packard  
Santa Rosa, CA  
graphic designer

EXPERIENCE

As the art director at Pomegranate I worked closely with museums, printers, distributors, artists, and photographers; designed a wide variety of products; directed in-house and freelance designers; and contributed to product development. That experience naturally equipped me for my present endeavors at book design and production as well as helping artists and authors self-publish.

CLIENTS

Pomegranate
